

We Grow Faith @ Home

2022-2023 Family Faith Formation

Accessing Interactive Session Reviews

Students should complete the Interactive Session Review for each non-attendance week. Assignments can be found on the back of this page as well as on the We Grow Faith @ Home web page.

**The links are on the We Grow Faith @ Home page, under www.stwalterchurch.com Faith Formation. There are a few ways to find us! The We Grow Faith @ Home program is accessible through the Faith Formation page, under Family Faith Formation.

The We Grow Faith @ Home page

1. On the We Grow Faith @ Home page, click on the Finding God textbook your child is using. (Usually their grade level, but there are exceptions.)

2. This will open the grade level page at Loyola Press.

- The “At-Home Edition” for each Unit is towards the top of the page.

3. Scroll down to the appropriate Session, and click on “Interactive Session Review”, under the Games column.

4. When your child is finished, it will ask for your child’s name and an email.

*****ENTER YOUR OWN EMAIL IN THIS BOX*****

5. Parents receive an email confirmation and then **forward** to wegrowfaith@stwalterchurch.com. Please note that, due to heavy volume, receiving this confirmation from Loyola Press may take some time to arrive. We recommend you file these confirmations in some way. As much as we do our best to maintain accurate records, we are receiving 150 each week the children are not in session, so mistakes do happen.

6. If after several days you don’t receive a confirmation, please email us at this address with your child’s name and grade, and the session completed. The Faith Formation program must record completed work in order to give your child credit for formation attendance.

THESE INTERACTIVE SESSION REVIEWS ARE A REQUIRED PART OF FAMILY FAITH FORMATION. THEY ARE ALSO USED AS THE MAKE UP WORK FOR MISSED ATTENDANCE DAYS.
